

March 2023 Newsletter

Hi all Australian Naturists

As another month roles on by, we find that the website is closer now than ever, I have been advised that we will roll it out in stages. So, the first stage is planned on going live this Saturday the 18th at australiannaturist.au. This first stage will basically be a revamp of the old site, with all the current features but with a new look and feel about it. The second stage should be ready to go by the end of April, and in this stage a lot of the really good stuff will be available, such as members being able to rate venues and leave reviews, and then for the venues to leave ratings for ANF member visitors. The independent members application will be revamped which will speed things up dramatically for those that have experienced difficulties in joining, plus a lot more exciting options to come!

The last minutes from the committee meeting on Feb the 21st were held on the can be found here [Minutes](#)

I have been in communication with Christos from South Africa, he is the current president for SANNA and we have started to build a rapport and good working relationship between the two countries federations, the South African Newsletter [Sanna Newsletter](#) is a very well complied newsletter that is a great read.

I have also included a link to the New Zealand's newsletter [GoNatural](#) for you to look at they have a new President over there David who I hope to make contact with soon and build on the relationship that Australia and New Zealand already have.

The World Naked Bike Ride is something that happens every year in March and this year, due to Michael James, the ANF Rep for Vic, being one of the organisers for the [Melbourne WNBR](#)

we have been given a little insight into what it takes to put a ride like this on. If you follow the link you will also get a little insight into the ride, and be able to subscribe to the newsletter for the ride.

Michael Davie
ANF President

Grin & Bare It

Our latest edition of Grin & Bare it has also been released. As everyone would know we have had to move to Vimeo for the hosting of the videos, click on the photo to see our channel and so the base of followers dropped due to this, unfortunately as mentioned previously this was out of our control as we apparently breached community standards. But due to the size of YouTube this was not an argument that is worth taking on and as such we are now happily on Vimeo. All the previous videos were moved across except for two that were lost because of the channel being shut down without notice, and [Episode 43](#) is now loaded and ready for viewing also.

From around the States

SA

Many people have been making the most of the beautiful weather and visiting Maslins Beach, this Rep (Shazz) has witnessed a large number basking in the sunlight. Naked Cabaret held on 12th March, was an exciting, energy packed show. Both Artists and Audience enjoyed the freedom and the atmosphere.

Vic

Many naturist groups are making the most of the last of the warm weather with lots of outdoor naturist activities. There remains strong support to most organised activities.

Qld

Wow, what a month it has been for QLD and the naturist community. Events have been plentiful with lots and lots of choices, to the point that it has been impossible to get to them all. A very good position that our lifestyle is in now in QLD. Goes to show the lifestyle is well and truly alive and well. The weather has been kind to us all, which has seen great numbers to all events, well done QLD

ACT

Many people have been making the most of the beautiful weather and visiting nude beaches on the South and Sapphire coasts of NSW and visiting ACT's own Kambah Pool. Armands Beach, near Bermagui, had their "Fun in the Sun" day on the 12th of March. The forecast said there was a 60% chance of rain which kept the number of people making the journey down. Those that went had a wonderful day on the beach, many beach games were played and yes it did rain that day, but it was after 10pm that night.

Tas

Fine warm weather has seen nudist hiking, kayaking, swimming, beach going, and socializing at camping/accommodation weekends. The cooler weather will soon bring more indoor events like heated pool swims and dinner and drink nights. Dark MOFO calendar released at the end of March, so register for winter solstice swim early!

Out and About

Queensland Social nudist held a “Drag Bingo and Comedy” night at Pacific Sun Friends near Caboolture in February, and what a ripper of a night it was!!

Close to one hundred people attended and almost everyone got in the spirit of things, dressing in their finest drag outfits. Now there is always the odd one out and Josh had to keep his hat on.... Might need to buy him some sunglasses for night as well.

We were entertained by our very own Jay Lane who came out of retirement for the show as Mr Demeanour and two other fabulous queens “Sasha Trajik Mole” and “Lona Toyboy”. Absolutely fantastic show and many prizes given away through Bingo rounds and for 1st, 2nd & 3rd best dressed. Can’t wait for next year’s show, hope to see you all soon cheers.

Jay QSN admin

Brujul In the NT has released their even calendar so do check it out at [Brujul Event Calendar](#) Your hosts Tania and Steve invite & welcome guests to Brujul Nudist Retreat, stay for a

night or stay for a while, enjoying the peace & tranquility of their bush retreat, taking in a magical Noonamah sunset, and getting back to nature whilst socialising with fellow nudists. They have powered caravan sites, on site caravans and luxury units, recreation area, above ground pool, camp kitchen, BBQ's, modern clean amenities with outdoor showers available for your stay.

Let me set the scene for you, it's a warm Saturday night in February, Kiata's clubhouse is regally decked out in colours of red and gold, tables are set with silver and gold ornaments, skilfully reproduced artworks from Egypt's 4th dynasty old kingdom adorn the walls, in the kitchen is a vast array of treats ready to be consumed.

Then into this, we add more than 50 of Kiata's members and guests resplendently dressed as Pharos, Queens, Princesses and even a few slaves. Oh, and one mummy.

With music supplied by our own DJ Rob our guests danced, and walked, like Egyptians into the wee small hours.

This was truly a night that would impress the gods of old, you know the ones I mean.

Heritage Australia Club had its 74th birthday at the last monthly function (Saturday March 4th) which was very strongly attended by members and visitors.

Having started in 1949 Heritage is the oldest continuous nudist club in Australia.

Next year will be our 75th Anniversary and we will be holding a much bigger event and to this we would extend an invitation to the ANF and other clubs to join us.

We will be organizing this for March 2024 and will inform people a few months before hand.

Rosco Open Day was a wonderful success, great to see so many new visitors attend. The camp area was fully booked, there was music and games on the lawn. The pool got a good workout due to the very warm temperature. The evening entertainment was provided by the Rosco Band, The Banddits. A raffle was held offering some great prizes. Followed the next morning by a fantastic BBQ breakfast, bacon & eggs rolls.

What's Coming up?

Every second Friday night at 7pm Sydney time, the ANF virtual pub night is open to members and guests, just use the link and well see you there, but do remember if you wouldn't do it at your club don't do it at our pub

<https://us02web.zoom.us/j/8364956489>

Kiata is having an African Safari night over the Easter weekend, if you are interested visit us at the website for more details at kiata.com.au

If you have nothing on come and join us at Nude Bowling 29th April night bowl.

Camp at [Balkaz Retreat](#) or Pacific Sun Friends.

Carpool with friends. Don't miss this great night always such a great event.

The ANF is a completely volunteer run organisation. We're always on the lookout for more people to get involved. If you are interested, get in touch with us at admin@ausnatural.org.au and see how you can join the team.
